To prepare a quote for All Sports or All Activities coverage, we need the following information:

1. Give the total number of participants in each sport for the current year for both boys and girls teams.
2. If sport has not started this year, then give last year's participation.

Sanctioned sports and activities are those that have been approved by your state's high school athletic and activity association. Non-sanctioned sports and activities are those that have not been approved but which your school district currently competes in and you wish covered under your accident insurance policy. Note: This list was prepared for use in the many states where we offer coverage, if a sport or activity is listed incorrectly for your state make a notation with an "S" or "NS" after that sport or activity as is appropriate.
